SNAP has no paid employees or staff. 98+% of every dollar earned/received goes directly to our low cost services. Management of the spay/neuter programs, the fundraising efforts, and all administrative functions are performed solely by volunteers. No money sits idle for future projects, no money is spent to promote fundraising, or on inventory items to sell. When you contribute to SNAP you know your money goes directly to the spay/neuter cause.

All contributions are Tax-Deductible to the limit of the law. The official registration and financial information of Spay Neuter Assistance Program, Inc. may be obtained from the Pennsylvania Department of State.
